

College Scholarship Award

Congratulations as you reach the completion of your high school career! All of your hard work and experiences have shaped you into an individual who is ready for the next step in your academic and social development. At Anderson and Moopen Orthodontics, we believe that your college experience is an important time where you will begin to decide what your contribution to society will be. To help you in your journey, we are proud to offer a \$1000 scholarship to help cover some of the expenses associated with higher education. Best of luck with everything in the future!
